IV. Additional Information Relevant to Approval of this Item

Pictometry is a proprietary software product fore viewing and analyzing custom color aerial photography. This product is licensed on a two-year contractual basis and the contract was approved by resolution of the Board of Commissioners on January 22, 2007. The total cost of the two year contract is \$310,000.00 and is shared by various municipalities and county agencies including Shelby County Government. This resolution will approve the payment on one half of the two year contract for this fiscal year in an amount of \$155,000.00 and will amend the budget to transfer funds contributed by the participating entities to an outside contracts account for payment.
